Model 4848EHDL – Rear & Side Wall, Mounted Fixtures

1. Exhaust Fan – has separate on/off switch mounted on left wall.
2. Automatic Paper Towel Dispenser – 4 “C” Batteries are installed. Automatic eye is taped over for shipment. One complete towel roll is in dispenser, additional towel roll is in the consumables box packed in unit.
3. Mirror
4. Manual Soap Dispenser – shipped empty, soap is included in the consumables box packed in unit.
5. Corner Sink with nine (9) second automatic water-saver faucet.
6. Wall Mounted Hand-Held Bidet
7. Studor Vent
8. Cistern – top mounted, water-saver flush for both heavy and light toilet usage.
9. Double GFI 100v (US) Electric Receptacle
10. Water Pressure Pump – contains a strainer with sight gauge. This pump will be used ONLY to draw water supply from a holding tank. Turn lever to “red” to utilize pump and turn lever toward “blue” for all other water sources.
11. P-Trap Toilet and Toilet Seat – toilet is fastened to the wall and the floor. Toilet waste line exits through the wall and can be connected to a holding tank, septic tank or sewer (mains).
12. Safety Fluorescent Light - switch on opposite wall
13. Clothes Hooks
14. Large Toilet Paper Holder - 100% recycled Paper
